

2021 TIP Project Applications for the Duluth Area

January 13, 2017

Proposed Project: [Lismore Road Pavement Resurfacing](#)

Jurisdiction: St Louis County

Description: This project involves the resurfacing of Lismore Road beginning at approximately North Tischer Road and ending at Ryan Road, a distance of approximately 5.58 miles. The proposed project will entail bituminous pavement rehabilitation by reclaiming/milling the existing bituminous, then placing a new bituminous surfacing. The shoulders will remain the same with 4' paved and 2' gravel.

Cost: Federal: \$1,285,000 / State: \$0 / Local: \$1,858,825 (State Aid funds) / **Total: \$3,143,825**

Proposed Project: [Railroad Street Preservation Project](#)

Jurisdiction: City of Duluth

Description: The Railroad Street Preservation Project will consist of a reclamation and paving of the bituminous surface between Canal Park Drive and Garfield Avenue. In addition, repairs will be made to the storm water system, curb and gutter, and sidewalk as necessary and as funding allows. ADA improvements will also be completed as part of the project.

Cost: Federal: \$1,285,000 / State: \$ 415,000 / Local: \$0 / Total: \$1,700,000

Proposed Project: [27th Ave West Bridge Replacement](#)

Agency: MnDOT

Description: Demolish old bridge and replace with new concrete and approach grading

Cost: Federal: \$1,849,500 / State: \$205,000 / Local: \$0 / **Total: \$2,055,000**

Proposed Project: [Lakewalk Culvert Repair](#)

Agency: MnDOT

Description: Repair drainage system under Lakewalk to outlet at Lake Superior (located 0.2 miles north of the junction of I-35 at Lake Avenue in Duluth).

Cost: Federal: \$800,000 / State: \$200,000 Local: \$0 / **Total: \$1,000,000**
