## 4. MIC Area Wide Bike Plan, *James Gittemeier*

James explained that in the process of the update of this plan he is looking to actually plan for destinations in this update. Places such as schools, jobs, grocery stores, parks and the like. He also stated that he has taken the list of descriptive names from 5 down to just 3:

1. Bike Routes/2. Bike Lanes/3. Multi-use paths

## MIC Transportation Advisory Committee December 12, 2017 Meeting Summary

Data has shown that 60% of the population are willing to bike or walk if the facilities are available.

James is also looking to get feedback from the jurisdictions and townships before he wraps up the final version.

James is hoping to present the final Plan for approval in March.

### 5. Michigan St Protected Bike lane/Final Report Draft, *James Gittemeier*

James gave a brief overview of the Final report of this project which includes the large amount of data collected. This data included traffic counts as well as the bike & ped counts and the survey which produced more information that was tallied. He is hoping to have the final revisions and tweaks completed by the end of December.

### 6. 2018 UPWP-Downtown Duluth Parking Advisory Committee, *Ron Chicka*

As a member of the Downtown Parking Advisory Committee Ron was approached to consider the possibility of parking study be done. Ron stated that he felt that a parking study wasn't needed for the Canal Park area; what is needed is a change in the circulation around the area and a look at the pricing between on-street and lots/ramps.

### 7. Roundtable Discussion

- Superior St should be going out for bid soon
