

Amendment #3 - 2018-2021 Duluth Area TIP (City of Duluth)

The City of Duluth has requested that Project 118-080-063 is added to the 2018-2021 Duluth Area TIP for the year 2019. Federal funding was awarded for this project via the Minnesota Highway Freight Program. According to the grant application: "The proposed project will expand the Duluth Intermodal Terminal (DIT) by extending the freight rail tracks an additional 2,500 feet for intermodal well-car loading and unloading; paving approximately six acres of terminal space to provide a more stable footing for stacking of containers and more efficient maintenance and snow removal activities; construct a check-in gate for trucks; and address storm water management, security fencing, and lighting."

Below are the proposed additions.
