

**Administrative Modification #4 - 2018-2021 Duluth Area TIP (St. Louis County)**

April 18, 2018

St. Louis County has requested a minor change to 2019 project #069-606-025. The request is to change the project description to better reflect the length of the project and to adjust the total cost of the project. The project cost had increased since an initial cost estimate was done. The additional cost will be paid for with local funds, with no increase in the federal amount. TIP guidance indicates the project change is minor and therefore needs only an administrative modification.

RED text is proposed deletions from the original project listing. Black text is what the amended TIP would show (either new or unchanged).
