

Administrative Modification #3 - 2019-2022 Duluth Area TIP (DTA – transit vehicle purchase)

March 20, 2019

The DTA has requested a project change for a 2019 project (TRS-0016-19T) for a purchase of ten standard 40 ft. replacement buses, instead of the initially requested nine buses. The DTA normally purchases ten buses every other year and the change is to reflect this usual practice. In addition, there is a 5% increase in total project costs due to inflation. This change is noted below.

RED are proposed deletions from the original project listing. Black are proposed changes/additions.
