

Amendment #8 – 2022-2025 Duluth Area TIP

Proposed for Approval 8/31/2022

Three additional line items for engineering/consulting for fiscal years 2023, 2024, and 2025

MnDOT has requested the addition of \$17,555,554 over three years to be added to the Duluth Area 2022-2025 TIP for engineering/consulting for the Blatnik Bridge project.

Amendment 8 adds funding for engineering/consulting, as follows:

- 8801-BLATNIK CA-23 provides \$4,888,888 for engineering/consulting in FY 2023
- 8801-BLATNIK CA-24 provides \$4,222,222 for engineering/consulting in FY 2024
- 8801-BLATNIK CA-25 provides \$8,444,444 for engineering/consulting in FY 2025

The project details are summarized below:

Jurisdiction and Project Number	Project Description		Estimated Costs & Funding Sources			
			Federal	State	Local	Total
MnDOT 8801 Blatnik FY 2023	Preliminary Engineering/consulting for the Blatnik Bridge	PE	\$2.2 M	\$244,444	\$2,444,444	\$4,888,888
FY 2024			\$1.9 M	\$211,111	\$2,111,111	\$4,222,222
FY 2025			\$3.8M	\$422,222	\$4,222,222	\$8,444,444
TOTAL						
Amended to TIP in August 2022						

Based on the criteria adopted in the MIC Public Involvement Plan, these changes require a formal Amendment to the 2022-2025 Duluth Area TIP.

Public comments will be taken about this proposed amendment when it is presented for approval at a special meeting of the MIC Policy Board on Wednesday, August 31st, 2022
