

Amendment #7 – 2023-2026 Duluth Area TIP

Proposed for Approval 2/15/2023

Additional funding in FY 2023 for Transit Project TRF-0016-23K

The Duluth Transit Authority has requested a project funding change for Project ID TRF-1600-23K for capital improvements for garage heaters and other improvements, increasing the project total from \$25,000 to \$120,000 (380%).

Based on the criteria adopted in the MIC Public Involvement Plan, this addition requires a formal TIP amendment to the 2023-2026 Duluth Area TIP, as the change is greater than 50% of the project cost.

Amendment #7 includes funding as follows:

- TRF-1600-23K will include a total project cost of \$120,000 in FY2023.

The project details are summarized below:
