

**2023-2026 Duluth Area TIP - Administrative Modification 11**

June 21<sup>st</sup>, 2023

**Change in project FY funding for Project # TRF-9069-24, Section 5310 funds**

ARDC has requested a change in the project below to be shown in FY 2023 instead of FY 2024. To simplify the TIP, and this process, MnDOT has changed from a one-year funding process to a two-year funding process. This funding process change necessitates this time to move from FY 2024 to FY 2023 in the 2023-2026 Duluth Area TIP.

These changes have been approved by MIC staff and are within fiscal constraints.

This change has been made administratively to the 2023-2026 Duluth Area TIP and is detailed in the table below.

State Project ID	Agency	Route System	Type of Work	Project Description	Type of Funds	Fed \$ (Non-AC)	Other \$	Project Total \$ STIP (MnDOT Total)	Project Total \$ (MPO Total)	Current Planned Year

*\*Based on the criteria adopted in the 2021 MIC Public Involvement Plan, these project changes do not require formal TIP Amendments and can be made as an Administrative Modification.*
