

## Amendment #2 to the 2024-2027 Duluth Area TIP

Proposed for Approval by the MIC Board 12-13-2023

### Addition of Highway Signage Project

MnDOT is requesting a new project for inclusion in the current Duluth Area TIP for highway sign replacement on MN 23 from Howard Rd to Becks Rd in Duluth in FY 2024. The project cost is \$900,000 and is 100% funded by state funds.

Because a portion of these improvements fall within the MIC's planning area, it will be included in the current Duluth Area TIP.
