Conference ID**: 695 183 609#**

BPAC Goals:	**2026 BPAC Work Priorities:**
Safe, all-season design for bike/ped infrastructure (including maintenance) Address network gaps Education and training opportunities	Highlight critical and major priority corridors to jurisdictions and fill in gaps in the bicycle and pedestrian network Improve bikeway and sidewalk accessibility in all seasons (snow removal, brush/vegetation clearing) through policies, practices, education, and outreach. Develop a process for tracking progress on the bicycle and pedestrian plan

Introductions / Agenda Review (Andrea) During the meeting, members of the public can be given an opportunity to contribute to discussion, when recognized by the BPAC chair. The meeting summary will reflect this input, when appropriate.	*5 min*
